4.2. **Project Scope and Services Specification.** The Project Scope and / or Services Specification sets out the detail of the Services you have purchased from us.

4.3. **How a Contract shall arise.** The contract between you and us for the supply of the Services shall come into force upon the earlier of:

6. PROVISIONS RELATING TO THE SERVICES

6.1. **Co-operation and information.** You agree to provide us with all co-operation and information reasonably requested by us in connection with the Services. This includes providing us with access to the Property and the System (both physically and remotely) so we can properly perform the Services. If access to the Property and / or the System is not provided on time, we may charge you for the additional time we spend on the Services as an Ancillary Service at our prevailing hourly rates.

6.2. **The Property and System.** You confirm that you are the lawful owner or occupier of the Property and the lawful owner or user of the System and that you have the right to allow us to perform the Services in relation to the System at the Property.

6.3. **The internet.** As the Services are mainly provided remotely over the internet, it is your responsibility to make sure the internet is available at the Property, is working properly and that it is suitable for the receipt of the Services. If there are problems with the internet, you should contact your internet service provider.

6.4. **Our Goods.** To enable us to supply the Services, you must allow us to install the Goods at the Property, so that we are able to monitor, configure and maintain the relevant System being controlled, and you must allow us remote access (via the internet) to the Goods and the System throughout the term of the Contract.

6.5. You acknowledge that all Goods supplied by us in connection with the Services shall remain our property. If they are damaged, destroyed, lost or stolen (other than by our staff), you must reimburse us for the costs of replacing them and pay our reasonable charges for installing the replacement Goods.

6.6. You shall not allow any person except our staff to access, use, open up, maintain or interfere with any Goods without our written consent.

6.7. **Use of the Concierge Support Services.** When you make support requests to us, you and we agree to the following procedure:

- a) you will promptly provide us with all information and co-operation we require to resolve the problem and you will ensure that all the information you give to us is accurate and complete;

- b) we will do our best to resolve the problem remotely by email or, where we consider it appropriate, by telephone. As part of our remote assistance, we will advise you on the steps you should take to resolve the problem and you will follow and co-operate with our instructions; and
 - c) if we cannot resolve the problem remotely within a reasonable time, we will, subject to paragraph 10.3, recommend one of our engineers attends the Property as part of the Call-Out Services and, where the Call-Out Services are not included as part of your Plan, subject to payment of the applicable Charges for the Call-Out Services.
- 6.8. **Helpdesk availability.** The helpdesk is available for 'front line' support 8am to 9pm and 7 days per week or 24 hours per day and 7 days per week (depending on your support subscription plan). Where the problem cannot be resolved by the front line support team, it will be escalated to our specialist support team who are available during Working Hours. Whilst we will always respond to your requests as quickly as possible, we cannot guarantee that we will always be able to respond within set timeframes.
- 6.9. **Call-Out Services.** The Call-Out Services are provided during Working Hours only. If we agree with you that the Call-Out Services are to be provided outside Working Hours, you agree to pay us the additional 'out of hours' Charges applicable to those Services.
- 6.10. **Engineer to door support.** For the engineer to door support the target timeframes start when we agree to send an engineer to the Property and end when the engineer arrives at the Property or when the videoconferencing support starts under paragraph 10.3.
- 6.11. **System replacement.** Except for the Maintained Equipment as set out in paragraph 10.6, we are not responsible for replacing any part of the System under this Contract.
- 6.12. **Takeover services.** Where we provide the Services in relation to a Takeover where the System has been supplied wholly or partly by a supplier other than us, we shall have no liability to you for any faults with those parts of the System supplied by the other supplier.
- 6.13. **Anti-virus software.** You acknowledge that it is your responsibility to install and maintain appropriate anti-virus software to protect the System and that if you fail to do so the System could be infected with a virus which damages the System and / or the content held within the System.
- 6.14. **Back-ups.** You acknowledge that it is your responsibility to maintain appropriate backups of your photographs and digital content and that if you fail to do so your photographs and digital content are at risk of being corrupted, lost, damaged or destroyed.

7. PROVISIONS RELATING TO THE APP

- 7.1. **Licence to use the App.** All intellectual property rights (including the copyright) and all other rights in the App shall be owned by us and our licensors. We grant you a non-exclusive, non-transferrable licence, without the right to grant sublicences, to download, install and use the App for the term of the Contract solely for your own purposes in connection with your use of the Services.
- 7.2. **System compatibility.** The App is not compatible with all Systems. Where the App is not suitable for your System (or for part of your System), you will still be able to use the other parts of the Services and you will still be required to pay us the full Charges.
- 7.3. **App updates.** We may release updates and new versions of the App from time to time. You acknowledge that your use of the App may be conditional on you promptly downloading and installing the updates and new versions of the App which we release. If you do not promptly download and install such updates and new versions, you may not be able to use the App.

- 7.4. **New App.** We may replace the App with another application ("New App") or we may remove the App altogether. If we replace the App, you will be required to download and install the New App and to accept the licence terms for the New App (which will be no more onerous than the terms of this paragraph 7). If we remove the App, you will still be able to use the other parts of the Services and you will still be required to pay us the full Charges.

- 7.5. **Third party sites and content.** The App may contain links to other independent websites and content which are not provided by us. Such independent sites and content are not under our control, and we are not responsible for them. You will need to make your own independent judgement about whether to use such independent sites and content, including whether to buy any products or services from them.

- 7.6. **Licence restrictions.** You agree that you will not (nor attempt to):

- a) rent, lease, sublease, loan, provide, otherwise make available, the App in any form, whether in whole or in part, to any person without prior written consent from us;
- b) copy, translate, merge, adapt, vary, alter or modify the App, whether in whole or in part; or
- c) except as permitted by law which is incapable of exclusion, disassemble, decompile, reverse engineer or create derivative works based on the whole or any part of the App.

- 7.7. **Acceptable use restrictions.** You agree that you will not (nor attempt to):

- a) use the App in any unlawful manner, for any unlawful purpose, or in any manner inconsistent with these Terms, or act fraudulently or maliciously, for example, by hacking into or inserting malicious code, such as viruses or harmful data into the App;
- b) transmit any material that is defamatory, offensive or otherwise objectionable in relation to your use of the App;
- c) use the App in a way that could damage, disable, overburden, impair or compromise our systems or security or interfere with other users; or
- d) collect or harvest any information or data from the App or our systems or attempt to decipher any transmissions to or from our servers.

- 7.8. **Passwords.** You must keep your password to access and use the App confidential. If any third party discovers your password, or accesses your account information for the App, you must notify us immediately.

- 7.9. **App availability.** Whilst we will use reasonable endeavours to ensure the App is available 24 hours per day and 7 days per week, it is not possible to guarantee that this will always be the case, particularly as the App is delivered over the internet. If the App is interrupted or unavailable, we will restore it as quickly as we reasonably can and we shall not be liable to you for its interruption or unavailability.

- 7.10. **App licensor.** The App is provided by our licensor and their legal documentation is at <https://www.snapav.com/shop/en/snapav/legal>.

8. YOUR RIGHT TO MAKE CHANGES

If you wish to make a change to the Services Specification and (in consequence) the Services, please contact us as soon as possible. We will let you know if the change is possible. If it is possible, we will let you know about any changes to the Charges, the timing for supply or anything else which would be necessary as a result of your requested change and ask you to confirm whether you wish to go ahead with the change. All such agreed changes shall be recorded in writing.

9. OUR RIGHT TO MAKE CHANGES AND DELEGATION

- 9.1. **Minor changes to the Services and to these Terms.** We may from time to time make changes to the Services and / or to these Terms to

reflect changes in relevant laws and regulatory requirements and to implement minor technical adjustments and improvements. These changes will not have a material impact upon your use of the Services or your obligations under these Terms.

9.2. **More significant changes to the Services and to these Terms.** In addition, we may make more significant changes to the Services and / or to these Terms, but if we do so, we will notify you in advance and you may then either accept these changes or, if you wish, contact us within 1 month to end the Contract and the provisions of paragraph 12.4 shall apply.

9.3. **Delegation to third parties.** We may from time to time need to delegate the supply to you of certain discrete aspects of the Services to third parties who have the requisite skill, experience and capacity to do this. If we do so, we will remain responsible for ensuring the third parties comply with the terms of the Contract.

10. SUPPLYING THE SERVICES

10.1. **When we will supply the Services.** Details of when we will supply the Services to you will be outlined in the Services Specification. We will use our reasonable endeavours to adhere to such timings, and any other timings agreed with you or set out in your Plan documentation, but you expressly acknowledge that the feasibility of doing so is often dependent upon the actions of other persons and the availability of access to the Property and the System (see paragraph 10.11).

10.2. **We are not responsible for delays outside our control.** If our supply of the Services is delayed by an event outside our control, we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this, we will not be liable for delays caused by the event, but if there is a risk of substantial delay to the Services which significantly adversely affects the Services, you may contact us to end the Contract and receive a refund for any Services you have paid for but not received.

10.3. **Remote Call-Out Services.** If we are unable to attend the Property due to an event outside our control, we may provide the Call-Out Services remotely via videoconferencing facilities.

10.4. **Delivery of the Goods.** We may need to deliver Goods to you in order to provide the Services. If the Goods are being delivered by us or our supplier direct to the Property and nobody is available at the Property to take delivery of the Goods, a note will be left informing you of how to rearrange delivery or collect the Goods. If you do not rearrange delivery or collect the Goods, you will be liable for any storage costs and further delivery costs arising as a result and, where we are unable to commence or complete the Services on time as a result, you will also be liable for our reasonable charges for rearranging the performance of the Services. If, as a result of your actions (or inactivity), the Goods are not delivered to you within a reasonable period following their despatch by us or our supplier, we may end the Contract and paragraph 13.2 will apply.

10.5. **System performance.** Whilst we will use reasonable endeavours to ensure the System is working properly and to promptly respond to requests for the Services, we cannot guarantee that the System will always be working properly, nor that we will always be able to fix problems, nor that problems will be fixed within set timeframes.

10.6. **Equipment Maintenance Services.** Where we have agreed to provide you with Equipment Maintenance Services, and you inform us that the Maintained Equipment is malfunctioning or has failed or is otherwise not in good working order ("Defect"), we will use reasonable endeavours to fix the Defect either remotely or while in attendance at the Property or alternatively we may remove the Maintained Equipment to fix the Defect off-site where we believe this is appropriate. You also agree to the following:

(a) **Excluded Maintenance.** Where we are performing or have performed the Equipment Maintenance Services in circumstances where we identify that the Defect was caused by any of the Excluded Causes ("Excluded

Maintenance"), we may charge, and you will pay, additional charges at our prevailing rates in respect of that work, including for the cost of all equipment and parts used in the work, and for all time spent by us on the work which shall be deemed Ancillary Services. You acknowledge that we are not obliged to perform any Excluded Maintenance under these Terms;

(b) **Replacement and spare parts.** In performing the Equipment Maintenance Services, we will not accept responsibility for sourcing and/or replacing items that exceed a sum up to £25,000 (excluding VAT) (whether individually or in aggregate for a particular job) Where we are unable to source items for less than this amount, we will promptly notify you and we will have the right to charge you for such items;

(c) **Consumables.** The Equipment Maintenance Services exclude the repair or replacement of consumables. If we provide Equipment Maintenance Services in relation to the repair or replacement of consumables, you must pay for the consumables and you must pay us the Charges at our prevailing rates for the work we carry out in respect of the consumables which shall be deemed Ancillary Services;

(d) **Emergency Maintenance Services.** Emergency Maintenance Services will be charged at the rate set out in the Services Specification (or, if not set out there, at our prevailing rates). The Charges shall be calculated, in the case of Emergency Maintenance Services that are performed remotely, from the time at which our relevant personnel commence performance of the Emergency Maintenance Services, and in the case of Emergency Maintenance Services that are performed at the Property, from when our personnel arrive at the Property until they leave the Property; and

(e) **Replacement Equipment.** If we do not believe the Defect in the Maintained Equipment can be repaired, or can only be repaired with disproportionate effort or cost, we may replace the Maintained Equipment. You acknowledge that whilst replacements will be of a similar standard and specification, they may not be "like for like" replacements. We will not replace Maintained Equipment where we identify the Defect was caused by any of the Excluded Causes.

10.7. **Exceptions.** You acknowledge that the Services shall not cover any problems caused by:

- (a) improper use or operation of the System;
- (b) damage caused to the System wilfully or as a result of neglect;
- (c) any actual or attempted additions, replacements, alterations, modifications, updates, upgrades, reconfiguration, maintenance or repairs made to the System by anybody except us without our written approval;
- (d) matters external to the System including the failure of electrical power or internet services;
- (e) interference from external sources not under our control including electrical equipment, power cables, data cables, radio waves, mobile phone signals, dust particles, light sources, changes to temperature or construction, furnishings and decorative work, or
- (f) faults with hardware (to the exception of paragraph 10.6).

10.8. If there is a problem with the System and any of the circumstances set out in paragraph 10.7 apply, we will, where agreed between you and us in writing, provide you with the Ancillary Services to fix the problem and you agree to pay us the Charges for those Ancillary Services.

10.9. **System usage.** You acknowledge that all System usage matters are your responsibility and we shall have no liability to you for such matters (including ensuring alarms are set and fireplaces are turned off appropriately).

10.10. **Responsibility for the Goods.** You shall be responsible for the security and safekeeping of the Goods once they have been

delivered to the Property (unless they are damaged, destroyed, lost or stolen by our staff).

10.11. **Ownership of the Goods.** We always remain the owner of all Goods.

10.12. **If you do not allow us to supply the Services.** If we are not permitted access to the Property or the System as arranged (and you do not have a good reason for this), we may charge you additional costs incurred by us as a result. If, despite our reasonable efforts, we are unable to contact you or re-arrange access to the Property, we may end the Contract and paragraph 13.2 will apply.

10.13. **Your legal rights if we deliver late.** You have legal rights if we supply the Services late. You may treat the Contract as immediately at an end if any of the following apply:

- a) we have refused to perform the Services and we are not entitled to do so; or
- b) delivery within the delivery deadline was essential (taking into account all the relevant circumstances) and the delay is not your fault.

10.14. **What will happen if you do not give required information to us.** We may need certain information from you so that we can supply the Services to you. We will contact you to ask you for this information. If you do not give us this information within a reasonable time of us asking for it, or if you give us incomplete or incorrect information, we may either end the Contract (see paragraph 13.1) or make an additional charge of a reasonable sum to compensate us for any extra work that is required as a result. We will not be responsible for supplying the Services late or not supplying any part of them if this is caused by you not giving us the information we need within a reasonable time of us asking for it.

10.15. **Reasons we may suspend the supply of the Services to you.** We may have to suspend the supply of the Services to:

- a) deal with technical problems or make minor technical changes;
- b) update the Services to reflect changes in relevant laws and regulatory requirements; or
- c) make changes to the Services as requested by you or notified by us to you (see paragraphs 8 and 9).

10.16. **Your rights if we suspend the supply of the Services.** We will contact you in advance to tell you we will be suspending the supply of the Services, unless the problem is urgent or an emergency. If we have to suspend the Services, we will extend the Contract period by an appropriate length of time. You may contact us to end the Contract for the Services if we suspend it, or tell you we are going to suspend it, in each case for a period of more than one month and we will refund any sums you have paid in advance for the Services not supplied.

10.17. **We may also suspend supply of the Services if you do not pay.** If you do not pay us for the Services when you are supposed to (see paragraph 15.4) and you still do not make payment within 14 days of us reminding you that payment is due, we may suspend supply of the Services until you have paid us the outstanding amounts. We will contact you to tell you we are suspending supply of the Services. We will not suspend the Services where you dispute the unpaid invoice (see paragraph 15.8). We will not charge you for the Services during the period for which they are suspended. As well as suspending the Services, we can also charge you interest on your overdue payments (see paragraph 15.7). Suspension may also occur where you fail to provide updated valid payment details following a failed payment under paragraph 15.6

10.18. **Consequential issues.** You acknowledge that due to the nature of the Services, there are risks of consequential issues arising. For

example, if we repair an item of equipment, it is possible another item of equipment will become faulty due to the fault with the first piece of equipment. If the consequential issue falls within the scope of your Plan or is caused by us, we will supply the Services in respect of the issue. In all other circumstances, you must pay us the Charges at our prevailing rates for any work we carry out which shall be deemed Ancillary Services.

11. TERM OF THE CONTRACT

11.1. **Contract Term.** The Contract shall commence on the date of the Contract comes into force and shall continue for 12 months following completion of the Set-Up Services (**Initial Term**) and thereafter until terminated in accordance with these Terms.

11.2. Either party can end the Contract by giving the other party at least 3 months' written notice provided that the notice expires on or after the end of the Initial Term.

12. YOUR RIGHT TO END THE CONTRACT

12.1. **Your rights to end the Contract.** You can end the Contract with us as set out in paragraph 11 or this paragraph 12. Of course, you always have rights where the Services are faulty or misdescribed (see paragraph 14).

12.2. **Your right to change your mind.** You have the legal right to cancel the Contract within 14 days and receive a refund ("**Cooling Off Period**"). You confirm that you request us to provide the Services from the date specified in the Services Specification even if this is within the Cooling Off Period. If you cancel the Contract within the Cooling Off Period after we have started providing the Services, you must pay us for the reasonable costs incurred by us in setting up the Services and you must pay us the Charges for the Services provided up until the time you tell us you have changed your mind.

12.3. You can cancel the Contract during the Cooling Off Period by contacting us using the details set out in paragraph 3.1 or by using the cancellation form available at <https://forms.zoho.com/indigozest/form/ConciergeSupportCancellationForm>.

12.4. **What happens if you have a good reason for ending the Contract.** You can end the Contract for a reason set out in subparagraphs (a) to (e) below. If you are ending the Contract for one of those reasons, unless you and we otherwise agree in writing, the Contract will end immediately and we will refund you for any Services which have been paid for but which have either not been supplied or have not been supplied properly. The reasons are:

- (a) we have told you about an upcoming change to the Services or these Terms which you do not agree to (see paragraph 9.2);
- (b) we have told you about an error in the price or description of the Services and you do not wish to proceed;
- (c) there is a risk that the supply by us to you of the Services may be significantly delayed because of events outside our control (see paragraph 10.2);
- (d) we have suspended the supply to you of the Services for technical reasons, or we notify you that we are going to suspend them for technical reasons, in each case for a period of more than one month; or
- (e) you have a legal right to end the Contract because of something we have done wrong.

12.5. **Returning Goods after ending the Contract.** At the end the Contract, you must make the Goods available for collection by us at a reasonable time requested by us. If you fail to do so, you must reimburse us for the cost of the Goods.

12.6. **Stop using the App after ending the Contract.** You must immediately stop using the App and delete or remove the App from your devices once the Contract ends.

12.7. **Your rights to cancel the Call-Out Services.** The cancellation rights in paragraphs 12.2 and 12.3 apply. You can cancel a booking for Call-Out Services at any time. However, if you cancel on less than 24 hours' notice, you must pay us the Cancellation Fee.

13. OUR RIGHT TO END THE CONTRACT AND WITHDRAWAL OF SERVICES

13.1. **We may end the Contract if you break it.** We may end the Contract at any time by writing to you if:

- (a) you do not make any payment to us when it is due and you still do not make payment within 14 days of us reminding you that payment is due;
- (b) you do not, within a reasonable time of us asking for it, provide us with information that is necessary for us to supply the Services;
- (c) you do not, within a reasonable time, allow the supply of the Services to you (including as a result of your failure to allow us access to the Property and / or the System); or
- (d) you otherwise commit a serious breach of these Terms and (if such breach is remediable) you fail to remedy that breach within 14 days of being notified in writing to do so.

13.2. **You must compensate us if you break the Contract.** If we end the Contract in the situations set out in paragraph 13.1, we may charge you reasonable compensation for the losses and costs we will incur as a result of your breaking the Contract.

14. IF THERE IS A PROBLEM WITH THE SERVICES

14.1. **How to tell us about problems.** If you have any questions or complaints about the Services, please contact us. You can do so by using the contact details set out in paragraph 3.1.

14.2. **Summary of your legal rights.** We are under a legal duty to supply the Services in conformity with the Contract.

15. CHARGES AND PAYMENT

15.1. **Charges.** The charges payable by you to us for:

- a) the Concierge Support Services and the Equipment Maintenance Services shall be set out in the Services Specification and / or Project Scope; and
 - b) the Call-Out Services and the Ancillary Services shall be set out in the Services Specification and / or Project Scope (or, if not set out there, charged at our standard rates),
- together the "Charges".

15.2. **VAT.** All Charges shall be exclusive of VAT, which shall be payable by you at the prevailing rate. If the rate of VAT changes, we will adjust the rate of VAT that you pay, unless you have already paid for the Services in full before the change in the rate of VAT takes effect.

15.3. **Period for which Concierge Support and Equipment Maintenance Services Charges are payable.** The Charges for the Concierge Support Services and Equipment Maintenance Services are payable by you from the date the Contract comes into force and throughout the term of the Contract.

15.4. **When you must pay and how you must pay.** Unless otherwise agreed with us in writing, you agree to pay us the Charges:

- (a) for the Concierge Support Services and Equipment Maintenance Services monthly in advance; and
- (b) for the Call-Out Services (to the extent they are not included in the Charges for the Concierge Support Services) and the Ancillary Services, when the Services are booked.

15.5. **Payment methods.** You agree to pay the Charges to us by direct debit from your own bank account or by credit or debit card from your own payment card and you will provide us with all information and assistance we request to set up and maintain such payment method throughout the term of the Contract. You authorise us to bill the Charges to your bank account or payment card and we will provide you with invoices for each payment due to us. You must ensure that your chosen payment method remains valid, up to date and capable of successfully processing payments throughout the term of the Contract.

15.6. **Failed Payments.** If any direct debit or card payment fails for any reason (including insufficient funds, expired card details, or a cancelled mandate), you agree to:

16.1. **We are responsible to you for foreseeable loss and damage caused by us.** If we fail to comply with these Terms, we are responsible for loss or damage you suffer that is a foreseeable result of our breaking the Contract or our failing to use reasonable care and skill, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the Contract was made, both we and you knew it might happen, for example, if you discussed it with us during the sales process (such as the requirement for any Services to be compatible with goods installed by a third party).

16.2. **We do not exclude or limit in any way our liability to you where it would be unlawful to do so.** This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or subcontractors; for

fraud or fraudulent misrepresentation; for breach of your legal rights in relation to the Services.

16.3. When we are liable for damage to your device or digital content. If digital content that we have supplied damages a device or digital content belonging to you, and the damage would not have occurred had we exercised reasonable care and skill, we will either repair the damage or pay you reasonable compensation up to 12 months' Charges. However we will not be liable for damage that you could have avoided by following our advice to apply an update offered to you free of charge or for damage that was caused by you failing to correctly follow any instructions, failing to have in place the minimum system requirements advised by us, failing to have adequate anti-virus software in place, or failing to maintain appropriate backups of your content.

16.4. When we are liable for damage to the Property. Unless it was a foreseeable result of our supply of the Services, and subject to paragraph 16.3, we will make good any damage to the Property or the System caused by us while performing the Services. However, we are not responsible for the cost of repairing any preexisting faults or damage to the Property or the System that we discover while supplying the Services.

16.5. We are not liable for business losses. We only supply the Services for domestic and private use pursuant to these Terms. If you use the Services for any commercial, business or resale purpose we will have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity or any other indirect or consequential losses.

17. HOW WE MAY USE YOUR PERSONAL INFORMATION

17.3. We will only give your personal information to third parties where the law either requires or allows us to do so.

18. OTHER TERMS

18.1. Intellectual property rights. As between you and us, all intellectual property rights (including the copyright) and all other rights in the materials we create as part of the Services (including the Services Specification) shall be owned by us. We hereby grant to you an irrevocable, non-exclusive, non-terminable, royalty-free licence to copy and make use of all the materials to such extent as is necessary to enable you to make reasonable use of the Services.

18.2. We may transfer our rights and obligations to someone else. We may transfer our rights and obligations under these Terms to another person. We will always tell you in writing if this happens

and we will ensure that the transfer will not affect your rights under the Contract.

18.3. Requirement to obtain our consent if you wish to transfer your rights and obligations to someone else. You may only transfer your rights or your obligations under these Terms to another person with our written consent.

18.4. Nobody else has any rights under the Contract. The Contract is between you and us. No other person shall have any rights to enforce any of its terms.

18.5. If a court finds part of the Contract illegal, the rest will continue in force. Each of the paragraphs of these Terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

18.6. Even if we delay in enforcing the Contract, we can still enforce it later. If we do not insist immediately that you do anything you are required to do under these Terms, or if we delay in taking steps against you in respect of your breaking the Contract, that will not mean that you do not have to do those things or prevent us taking steps against you at a later date. For example, if you miss a payment and we do not chase you but we continue to supply the Services, we can still require you to make the payment at a later date.

18.7. Which laws apply to these Terms and where you may bring legal proceedings. Any dispute or claim arising out of or in connection with these Terms and the Contract or their subject matter or formation (including non-contractual disputes or claims) (**Dispute**) shall be governed by and construed in accordance with the law of England and Wales and the courts of England and Wales shall have exclusive jurisdiction to settle the Dispute.

18.8. Customer Behaviour. You agree to treat our staff, engineers and representatives with respect and courtesy at all times. We will not tolerate abusive, threatening, discriminatory or otherwise unreasonable behaviour (whether verbal, written or physical). If such behaviour occurs, we may:

- (a) suspend the supply of the Services immediately;
- (b) require that future communications are made only in writing; and/or
- (c) end the Contract with immediate effect by giving written notice to you.

18.9. Consequences of Termination. If we end the Contract under paragraph 18.8, you must pay us any outstanding Charges for Services supplied up to the date of termination. We may also deduct or charge you reasonable compensation for the net costs we incur as a result of your behaviour.
